

Let us introduce ourselves...

GVCPHS operates as a ministry of Green Valley Christian Center. We are a private Christian school with very high academic and spiritual standards. The school is operated as an exempt school under the provision of NRS 394.211 and as such is exempt from the provisions of the Private Elementary and Secondary Education Authorization Act.

Located in Green Valley, a suburb of Henderson, Nevada; GVCPHS has earned and maintained an excellent reputation for quality Christian education in the community. The mission of our school is to train Christian young people to achieve their fullest potential spiritually, academically and emotionally. All our faculty members are Christians and have a call on their life, to educate, mentor and train young people. Our faculty has a desire to be of service to both parents and students. The administration is dedicated to providing an academic environment that is safe and challenging for students. Everyone that comes to GVCPHS will be challenged both spiritually and academically and should feel loved and cared for as we strive to maintain our excellent standards.

GVCPHS admits students of any race, color and national origin to all rights, privileges, programs and activities accorded or made available to the students at the school.

Our Purpose...

*This is an accelerated school for Christian families with high, academic and spiritual standards. Our school's purpose is two fold: **one**, to develop our students academically, spiritually and emotionally to prepare them for future college and career goals; **two**, to supplement the students' family values by involving them in the process of their child's three-fold development process. It is our belief that you are not here by chance but by the divine order of God*
